

## BE Event Information for Saturday 26<sup>th</sup> & Sunday 27<sup>th</sup> May 2012

### Event Update:

All the planning is on track for this year's BE event.

**Dressage:** The dressage area was mown and rolled on Saturday 19<sup>th</sup> May with one more cut due before the arenas are put out on pre-event Wednesday

**Show Jumping:** Posting and roping underway with final cut of the area due early in the week before course builder Shaun Marsh arrives to build on Friday.

**Cross-Country:** Dominic Moore, the XC course builder, and his team arrived on Friday 18<sup>th</sup> May for a week of final preparations at Borde Hill.

Some jump moving which was planned for this year will not be done in order to keep the heavy plant off the track but fortunately a couple of major changes to the course were started in March before the "April Showers" arrived.
